

My History

I recently returned to study a Diploma in Graphic Design to update my design skills. I am really happy with the skills and knowledge I gained whilst at Tafe and I am keen to obtain work in the design field.

Relief office work

February 06' - 07'

Carine Senior High School &
Warwick Senior High School
General Office Duties

hospital departments and patient information. I dealt with clients on a one to one basis and over the phone. I left this job to raise my family.

Emigrated to Perth, Australia

April 03'

Typesetter/Graphic Assistant
86' – 90' Education & Medical
Illustration Services, Medical
College of St. Bartholomew's
Hospital. London UK.

Gap in employment

95' – 06' whilst raising our family
and settling into new life in
Australia

Some duties as above, I produced
general illustration work as
required. Typeset forms and other
literature for hospital departments
and patient information and dealt
with clients on a one to one basis
and over the phone.

Graphic Designer

90' – 95' Education & Medical
Illustration Services, Medical
College of St. Bartholomew's
Hospital, London UK

Graphic Assistant

85' – 86' Countryside Advisory
Service, Wigan Metropolitan
Borough Town Council. UK

I designed and produced annual
reports, bi-monthly journals,
maintained an archive library,
typeset research findings for
publication, production of posters
and electronic presentations
for international meetings. I
designed artwork for business
stationery and invitations. I
produced general illustration
work as required, produced
forms and other literature for

I produced water colour
illustrations of local flora and
fauna for use as educational
material for school groups.

Education

Biology and French.

Skills

- drawing and rendering techniques
- updated computer skills for mac or PC including Adobe creative suite, Flash and Dreamweaver
- an eye for detail and great composition
- appreciation of type

I have an ability to;

- design and be creative whilst staying relevant
- visualise a look and feel
- source reference material and work methodically
- understand colour, when it works, what it can convey and how it can make us feel
- give a boring brief a fresh interesting new look
